

New board installed for the Friends of Homosassa Public Library

Citrus County Library System Director, Flossie Benton Rogers installed the new board of the Friends of Library of Homosassa at a meeting that included a tribute to out-going President, Adelaide Keller. A decorated cake honoring Adelaide for her years of dedicated service was provided as part of the refreshment table.

The Friends are purchasing a microfilm reader printer for the library, which will be installed soon for the public. The Friends are planning a book sale at the Homosassa Public Library in the community room on Friday, May 29 and Saturday, May 30.
