

Walmart Helps Summer Reading Programs Wrap Up with Excitement

August 4, 2010, Reading program bike winners: Robert, Chase, Taylor, and Abby standing with Heather Allaire, Walmart Asst. Mgr. and Stacy Sandak, Walmart Community Relations.

Children that participated in the Florida Library Youth Program (FLYP) and other summer programs were encouraged to read more this summer and keep reading logs. Business sponsor, Walmart of Homosassa, provided incentives including four new bikes and helmets.

The completion of the FLYP Reading Logs, and the drawing of the prize winners signaled the close of summer programs for children, as they prepared for the new school year. Good reading attitudes and skills are developed when children are young, and the Citrus County Library System urges parents and other primary caregivers to continue taking a strong interest in all youth reading activities.
